PLEASE READ: THE PHYSICAL NATURE OF THIS TRIP

This particular trip will involve **lots of walking each day (usually more than a mile and lots of steps.)** Besides our trips to and from the airport, we will **NOT** be using bus transportation. Our main means of transportation will be **subway and walking**. We have taken trips in the past where we helped our travelers secure taxis and meet us at a scheduled location if they did not want to walk with the group. This will be at the individual's expense.

IF YOU HAVE ANY QUESTIONS, PLEASE CALL KAREN AT (812) 243-3384.

PLEASE READ: CONCERNING THE FIRST DEPOSIT & TRIP INSURANCE

Trip insurance is a personal decision. I have purchased and not purchased insurance on many trips in the past. I need to share my experience when our trip to New York City was cancelled in 2020.

Because of the pandemic, we decided to cancel the trip around 7 weeks before the scheduled date. THE ONLY REASON I COULD REFUND THE MONEY IS BECAUSE NEW YORK CANCELLED ON US AND THE VENUES SENT ME REFUND CHECKS. THAT WAS A VERY, VERY RARE OCCURRENCE AND WILL PROBABLY NOT HAPPEN AGAIN!

At the time of the cancellation, about 90% of our itinerary events were already paid for and those payment were **NON-REFUNDABLE**. **This included Broadway shows, Statue of Liberty, 9/11 Museum, the airline flight, the hotel, and the list goes on and on.**

New York is a destination that has a very strict deadline schedule. The hotel needs the reservation list 60 days in advance. If we want good seats at the Broadway shows, we need to secure those seats as soon as possible. **I will start making those payments on March 2nd.**

This is why the first payment is **NON-REFUNDABLE** after March 1st. (unless you purchase trip cancellation insurance). At that time, plane, hotel, show reservations will be made. Also, if you do not purchase insurance, we want you to understand that you should not plan on receiving a refund. Make sure of your plans before you commit. We will try our hardest to help you find a replacement passenger, but it is not a guarantee.

We are excited about this trip! We want you to understand how things work and we can plan together.

Thanks!

Karen Noble
