- **COME FROM AWAY** is based on actual events that took place on September 11, 2001 and the days that followed.
- A small Canadian town welcomed 7,000 stranded "plane people" from around the world into their homes and hearts.
- Cultures clashed and nerves ran high, but uneasiness turned into trust, music soared into the night, and into enduring friendships between the locals and the "come from aways."
- "A hit and a masterpiece! Joyous, Uplifting and Plenty of Humor." – Herald Sun
