Join OLLI/Swope in October of 2024 for our annual art inspired trip. Milwaukee is our destination with numerous art gallery opportunities. Travelers will enjoy the Milwaukee Art Museum where the famous iconic wings majestically open and close each day. Also included is the Groehman Museum and Museum of Wisconsin Art. Our hotel is in the heart of Milwaukee with the Riverwalk within walking distance.

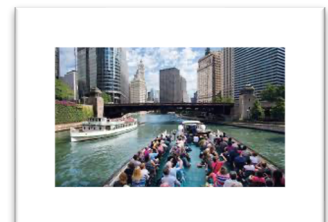

On the way to Chicago, we've planned a tour of the Sanfillippo Estate that houses a private collection showcasing an Edison and Victrola phonographs, music boxes and pinned cylinders, the Wurlitzer Theater organ, and the items in the pavilion, including the 1890 carousel. This beautiful home will have you at a loss for words! Dinner that night is included at the unique Chessie's "Train Car" Restaurant.

Downtown Chicago awaits on Day 3 where the skyscraper architecture surrounds us during our river cruise into the heart of the city. Lunch is at Navy Pier, then we will finish our plans at the Apollo Theater where we will see "A Choir of Men." This musical doesn't have a traditional plot, but instead is a collection of smaller stories woven together. The show is about a fictional pub called The Jungle and a cast of nine men who represent typical pub characters, such as the poet, the ball and the hopeless romantic. Enjoy tap dancing, uplifting choreography and 90 minutes of happy music!

Experience a trip where art truly comes alive!
